How it works

1 · Enquiry

Tell us which tours or dates your clients are interested in, by email, phone or the form at zeilanparadise.com/agents.

2 · Quote

We send you a written quote for the journey, built around your clients' dates and group.

3 · Confirmation

When your clients are happy, we confirm the arrangements in Sri Lanka.

What a quote contains

- A day-by-day itinerary
- Where your clients stay each night, with hotels as listed or similar
- What is included and what is not
- The price for your clients' dates and group size

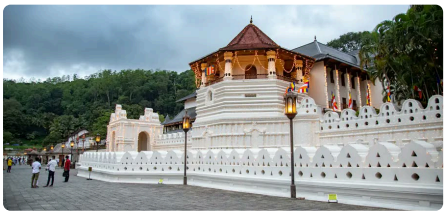

Every round tour includes

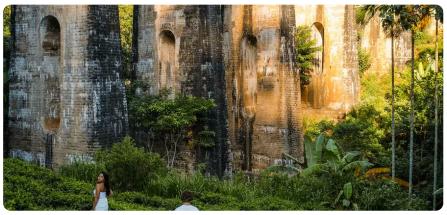

- Private air-conditioned vehicle (car, van or coach, depending on group size) with an English-speaking guide for the whole trip
- All hotels as listed (or similar), with breakfast daily; standard check-in is 12:00
- Meals and experiences named in the itinerary
- Jeep safaris and boat trips named in the itinerary
- Airport meet-and-greet, all transfers, and 1 litre of bottled water per person per day
- A UK-based contact before you travel

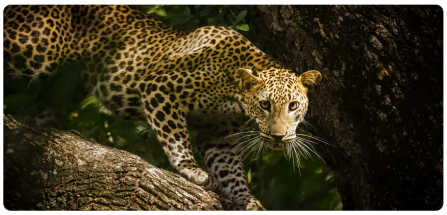

Not included: International flights, visa, travel insurance, entrance fees, unless stated, tips.

HOW OUR JOURNEYS ARE PLANNED

First night near the airport after a long flight · one direction around the island, no backtracking · two or more nights at most stops · early starts for Sigiriya and safaris · ethical wildlife only: no elephant rides · routes timed to the season, south and west coast December to April, east coast May to September.
